

Teacher Information Self-Led Groups

Welcome

Westminster Abbey is one of the world's great churches, with a history stretching back over a thousand years. The Abbey has been the Coronation church since 1066, and the setting for many other great events in the life of the nation, including sixteen royal weddings. It is the burial place of kings and queens, and of other distinguished figures in the nation's history, from writers and musicians to politicians and scientists. The Abbey continues to bring visitors to the heart of national life through its close links with Parliament, the Commonwealth and many charitable organisations. Through special services and daily prayers, through inter-faith work and the welcoming of UK and international school and family groups, the Abbey expresses faith at the heart of the nation today.

This booklet is designed to support teachers as they plan a self-led visit to Westminster Abbey. It contains information about health, safety and security to help ensure that the visit will be educational, informative, memorable and safe.

It contains information regarding

- Charges

General Data Protection Regulations (GDPR)

We hold the email addresses of teachers booking visits on our secure Customer Relations Management system in case we need to make contact about the booked visits. For this reason, we are only able to take bookings from school email addresses and not private ones.

Once the visit is completed, we retain the teachers' email information linked to the school but we do not use it to make contact again unless a new booking is made.

On our booking form, we also ask for a contact mobile number in case we need to make contact on the day of the visit (e.g. if the group has not arrived). This information is not kept electronically, and the hard copy of the booking form is destroyed after one term.

We also have a [teachers' mailing list](#). You can sign up for this on our website or just tick the box on the booking form and an email will be sent to you to confirm your preferences. This mailing list keeps you updated about annual programmes as they are published. You can opt out of this list at any time.

More information about travelling to the Abbey can be found on our [website](#).

Clipboards

Clipboards are available to borrow for self-led groups by prior arrangement.

On the day

Arrival

Please arrive 10 minutes before your entry time to allow time for payment. If you are delayed please call Reception on 0207 222 5152. If you arrive later than your booked entry time your admission cannot be guaranteed. The entrance time you have booked is only a guide and you may have to wait for other groups to enter ahead of you.

On arrival, enter through the archway into Dean's Yard, turn left and report the marshal in the corner of the yard. The group leader should then go to the Chapter Office, Number 20 to pay and receive coloured wristbands which must be worn by all group members during the visit.

You may be asked to divide into smaller groups before entering the Abbey. A class of 30 is best divided into two groups of 15 pupils.

During your visit if you need help please ask one of the Abbey Marshals (red gowns) or Guides (blue gowns) and they will be happy to provide information.

Toilets

There are public lavatories in the Cloisters after you have entered.

Lunch

You may eat in the Cloisters by prior arrangement. It can get very cold here on a winter's day. Behaviour in this area should continue to be appropriate to a place of worship. Please take your rubbish with you.

Bag storage

Unfortunately, this is not available to self-led groups.

Briefing your students

Make sure your students know:

- Westminster Abbey is a Christian place of worship. Some people come here to say prayers and take part in services.
- The importance of Westminster Abbey to the history of the nation and the Christian faith.
- That there will be tombs and ensure that the pupils are comfortable with the idea of visiting a place which has people buried.
- A prayer is said every hour by a priest and we ask people to stop and listen.

To prepare them in advance you might like to

- [download](#) a trail.
- give pupils a small number of key things to look out for
- visit the Abbey on the [Virtual Tour](#)

The shop

This is situated at the West Door, and there is a small shop in the Cloisters just near the group entrance. The children are welcome to visit our shops, with adequate supervision.

Safeguarding & Security

Safeguarding

The Abbey is a public building and can be very busy at times. Children should be supervised and teachers are expected to abide by the safeguarding guidelines of their own schools. Self-led groups and those eating in the Cloisters may use the public toilets in this area but should supervise pupils appropriately.

The Abbey requires a ratio of 1 adult to 10 pupils (1:5 for KS1 and younger) and provides free entry for staff on that basis.

A copy of the [Abbey Safeguarding Policy is available to download here](#).

The Abbey Safeguarding Officer can be contacted on 07394 562778.

Security

The safety and security of all our visitors is very much a part of Westminster Abbey's daily life.

We understand we have a very important responsibility when it comes to your safety.

As the security situation in the UK is ever changing, we are constantly reviewing our safety and security arrangements, including:

- Comprehensive CCTV coverage, monitored 24 hours a day.
- A professionally trained security department.
- Constant patrols by both police and security staff.

Additionally, we maintain very close operational links with the Metropolitan Police, giving us good knowledge of any known risks as they occur, as well as a quick response in the event of an incident.

Evacuation or Lock Down

An announcement over the public address system will be made if an evacuation or lockdown of the Abbey needs to take place. Please follow the instructions and directions given by the Abbey Marshals (red gowns). If in any other part of the Abbey precincts, please follow Abbey staff instructions.

During a visit your class may be in small groups; not all groups will be evacuated to the same muster point. Each group leader must have a copy of the list of children in their group in case of an evacuation.

Health & Safety

Please ensure that pupils are aware that the Abbey is an ancient building and that they to keep certain things in mind in order to keep safe during their visit:

- Remind children to look where they are walking as floors and steps are uneven in most areas.
- There are also a number of low doors and steps that may not be immediately obvious and care should be taken.
- It can be very busy. Keep children together and count them regularly!
- Abbey staff are trained in First Aid.
- Please refer to a member of staff/volunteer in red or blue gowns or staff on the Information Desk if you need any help.
- An announcement over the public address system will be made if an evacuation of the Abbey needs to take place. Please follow the instructions and directions given by the Abbey Marshals (red gowns).
- If a member of the party gets separated advise them to go to the Abbey Information desk and report to a member of staff.
- Teachers are responsible for the supervision and safety of the children in their charge at all times.
- A ratio of 1 teacher to every 10 pupils is required.
- Do not enter any part of the Abbey that is marked 'Private' or which has been roped or cordoned off to prevent access for safety reasons.

We strongly recommend that teachers make a preliminary visit in order to complete risk assessments.

Precautions related to COVID-19

The Abbey follows government guidelines and is committed to creating a safe visiting environment. We advise members of the public to wear a face mask if they are able. Pupils over 11 are asked to wear masks and to make use of hand-sanitizer found around the Abbey. Please [contact us](#) if you require further information.
